OFFICIAL LETTER

Yangon, Myanmar

Subject: Cancellation of Food and Hotel Myanmar 2021

Dear Participants,

Due to the coronavirus (COVID-19) pandemic which remain across several regions and country political wide lock down, the organisers of Food and Hotel Myanmar have made a difficult but necessary decision to cancel the event in 2021 at Myanmar Expo (ME), Yangon, Myanmar.

After serious consideration and close consultation with our stakeholders, exhibitors and industry partners in the food & hospitality industry, we believe this will help keep attendees and our staffs safe and help prevent the further spread of the virus and allow more time for normality and confidence to return to the marketplace, for travel restrictions to be eased, and in order to provide better all-around conditions for the event in future. The organizing team will reach out to all participants regarding detailed arrangements in due course.

We wish to thank those who participate and support the show and we greatly appreciate your understanding. Our sole focus remains to provide an event of enhanced quality.

Be sure to keep a look out for additional communications and digital opportunities from our team to keep you engage with Myanmar's food & hospitality sector.

Should you have any questions or concerns, please contact the organizing Team at:
